§ 852.1 What is the purpose and scope of this part?

(a) This part implements Part D of the Act by establishing the procedures under which:

(1) An individual may obtain and submit an application to the Program Office for review and assistance;

(2) The Program Office processes and submits eligible applications to a Physician Panel;

(3) Physician Panels determine whether the illness or death of a DOE contractor employee arose out of and in the course of employment by a DOE contractor and through exposure to a toxic substance at a DOE facility;

(4) The Program Office processes a determination by a Physician Panel; and,

(5) Appeals may be undertaken.

(b) This part covers applications filed by or on behalf of a DOE contractor employee, or a deceased employee's estate or survivor, with respect to an illness or death of a DOE contractor employee that may have been caused by exposure to a toxic substance during the course of employment at a DOE facility.

(c) All actions under this part must be pursuant to the relevant State Agreement and consistent with its terms and conditions.

§ 852.2 What are the definitions of terms used in this part?

Act means the Energy Employees Occupational Illness Compensation Program Act of 2000, 42 U.S.C. 7384 *et seq.*

Applicant means an individual seeking assistance from the Program Office in filing a claim with the relevant State workers' compensation system, including but not limited to, a living DOE contractor employee, the estate of a deceased DOE contractor employee, or any survivor of a deceased DOE contractor employee who is eligible to apply for a death benefit or a survivor's benefit under the State workers' compensation system for which the applicant is seeking assistance in filing a claim.

DOE means the U.S. Department of Energy, and its predecessor agencies, including the Manhattan Engineering District, the Atomic Energy Commission, and the Energy Research and Development Administration.

DOE contractor employee means any of the following:

(a) An individual who is or was in residence at a DOE facility as a researcher for one or more periods aggregating at least 24 months.
